### Services

While it may sound simple when people talk about residential and commercial properties, every small change does have a big impact when it comes to buying or selling a house. In a highly unorganized real estate market, expert recommendations can make the difference between financial gain and opportunity loss. We have a professional expert and not a fly-by-night broker with lucidity in all dealings providing quality advice with precision and speed based on up-to-date market information through a professional service. In all that we do, we endeavor to use our experience, knowledge and network to provide solutions and services that best answer our client needs and requirements.

We serve the entire Real estate spectrum as follows:

#### Property Type

- Apartments
- Row Houses
- Builder Floors & Bungalows
- Villas & Plots
- Farm Houses
- Holiday homes
- Commercial offices, plots & showrooms.

#### Industry

- Corporate
- SMEs
- Expats
- Embassies
- NGOs

#### AUDIENCE

- Entrepreneurs
- Professionals
- Builder Floors & Bungalows
- Self Employed
- CEOs
- Managing Directors
- Middle Management

### Residential

Welcome to Residential Services. Whether you are just browsing available housing options, looking for ways to enhance your living experience, or in need of service, we hope our website provides a gateway to the information you seek.

### Commercial

La Casaa, a corporate & commercial real estate **solutions and services company**, amalgamates knowledge, expertise and experience with technology and uses this unique alloy to help clients make productive real estate decisions. Our services include corporate real estate, transaction services, agency, asset management, development consultancy, landlord & tenant representation and valuation.
